

Press Release

“FIA Japan Financial Market Conference 2015”

Opens on May 12-13 at Palace Hotel Tokyo

Tokyo, May 7, 2015 – Futures Industry Association Japan (FIA Japan), a leading financial industry association in Tokyo, will host the “FIA Japan Financial Market Conference 2015” on May 12-13 at the Palace Hotel in Tokyo.

We are building on the tremendous success of the previous event held in 2012, which attracted more than 400 attendees from the Japanese and international financial market community. The 2015 conference will address the key issues, current challenges and opportunities impacting the global and Japanese trading environment today and will specifically focus on the following two themes: “Japan’s Unique Position in Asia – the Growth Region”; “New Government Attitude”:

It will feature keynote speeches by: Mr. Nobuhiro Maeda, Vice Governor, Tokyo Metropolitan Government; Mr. Takao Ochi, Parliamentary Vice-Minister of Cabinet Office; Mr. Takehiro Sato, Member of the Policy Board, Bank of Japan; Mr. Tatsuya Terazawa, Director-General for Commerce Distribution and Industrial Safety Policy, Ministry of Economy, Trade and Industry. Panel discussions will be conducted by regulators and leading industry experts on topical issues such as the cross-border regulatory issues lead by Mr. Walter Lukken, President & CEO FIA Global and former Acting Chairman of the CFTC.

For further information, please refer to attached agenda or visit the FIAJ conference webpage: <http://www.gmac.jp/fia2015/en/index.html>

We welcome media to attend the conference. Please contact ICS below for free registration. As for the interviews to FIA Japan’s officer, please contact FIA Japan Office.

About FIA Japan

Futures Industry Association Japan (FIA Japan) is the only organization in Japan with a membership drawn from the entire cross section of the futures industry. Members include futures and securities exchanges, FCMs, security firms, banks and other users of the markets, as well as legal, technology and other professionals that provide services to the industry. We focus on both financial and commodity markets and we stay abreast of both domestic and international development in this global industry. For further information, please visit <https://www.fiajapan.org/>
